USA - Emotional lighting in Chicago

Located on Lake Michigan's shore, Chicago Navy Pier originally opened as a shipping and recreational facility in 1916 and it quickly became one of Chicago's most dynamic and vibrant landmarks. Throughout its history, the Pier has been a center of commerce, a military base, a school, an events venue and a world-renowned destination, continually transforming its identity in purpose, offerings and...

Ireland - A glittering family enlivens Duleek village

Meath County Council has recently commissioned a sculpture for Duleek Business park by the internationally renowned artist Maurice Harron following a public consultation and tender process. The Irish sculptor has created many public artworks since he set up his own studio in 1998 producing public and private large scale works in bronze, stainless steel, aluminium, stone and fiberglass. Many of his...

USA - Urban renovation at Regatta Park

Regatta Park, highlighted in the March 2017 issue of Landscape Architect & Specifier News magazine, is a twelve-acre waterfront park in Coconut Grove, Florida. Located on the former site of the Coconut Grove Convention Center, the project represents the first phase of a comprehensive master plan to open up views to the beautiful

waterfront and transform the area into a pedestrian friendly...
