Griven srl AL4363ELRW Microparade 24 RGBW elliptical sym / Luminaire Data Sheet

Luminous emittance 1:

Luminaire classification according to CIE: 100
CIE flux code: 70 92 98 100 92

Griven srl AL4363ELRW Microparade 24 RGBW
elliptical sym
Article No.: AL4363ELRW
Luminous flux (Luminaire): 847 lm
Luminous flux (Lamps): 916 lm
Luminaire Wattage: 19.0 W
Luminaire classification according to CIE: 100
CIE flux code: 70 92 98 100 92
Fitting: 1 x LED (Correction Factor 1.000).

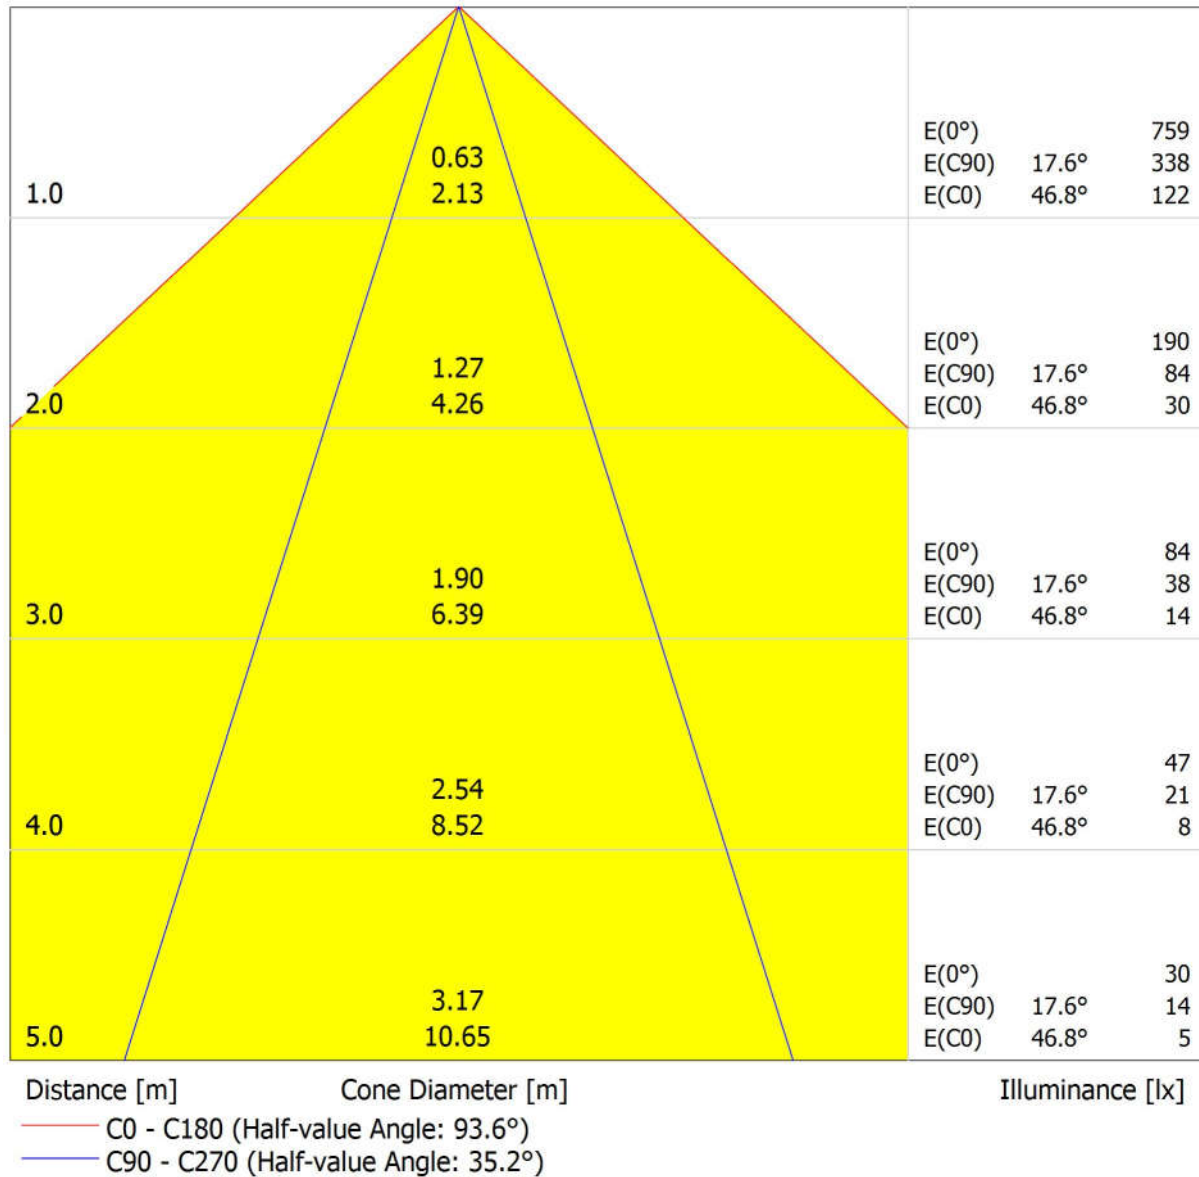

Available with 24 mid-power LEDs, the brand new microPARADE 24 is an ultra-compact and versatile modular bar ideal for wall grazing effects, owing to its specifically developed modular optics groups. The combination of a new generation of RGBW mid-power LEDs delivers optimal efficacy and reliability beside a richer alternative of intense and bright colour hues. Housing in-built electronics and power supply unit, its compact and lightweight chassis, fitted with adjustable fixing brackets, allows a comfortable installation in outdoor ambiances on balconies, windows or façades where a reduced mounting space drastically limits the range of suitable products. MicroPARADE 24 newly designed stylish profile is complemented by the on board RDM function and can be fitted with plug-in and plug-out connectors or only with power and DMX cables, according to your needs.
